

This half term in Year 1 we will be learning...

Literacy

Children will be taught Literacy on a daily basis with an hour lesson each day. We will continue to follow the Read Write Inc program. Writing skills will also be taught through other subject areas within the topic.

Numeracy

Children will continue developing their skills in counting, partitioning and calculating as well as using practical strategies for addition and subtraction. They will count in groups of 2 and 10 in preparation for multiplication. They will also explore data handling, measures, shape and number patterns and problem solving. They will begin to learn by heart number facts such as addition facts to 10, doubles and halves.

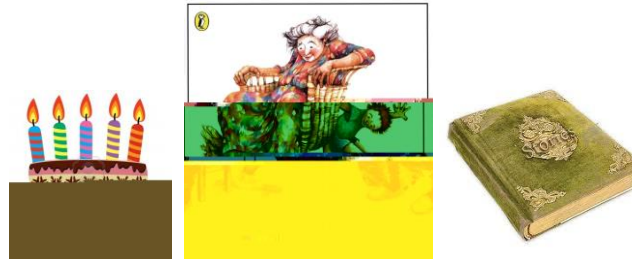

Art and DT

In Art children will explore a range of different painting techniques. In DT they will experiment with design ideas and make small scale models.

History

The children will learn about significant events and celebrations within their own lives. They will also learn how events beyond living memory are significant nationally/internationally (e.g. the Gunpowder plot, Armistice Day) and how they are commemorated through festivals and annual events.

Stories & Celebrations!

Computing

In Computing we will be developing our typing skills. Children will have the opportunity to practice their keyboard skills using our computer suite.

Music

Children will have the opportunity to listen to music and learn, practise and perform songs relating to the celebrations we will study.

P.E

The children will continue to work with a sports partnership teacher and this terms focus will be gymnastics. .

R.E and PSCHÉ

In R.E. we will be learning about celebrations that are important to Christians and how these significant occasions are recognised in Church.

In PSCHÉ we will use stories and whole class discussion to reflect upon a range of issues linked to celebrations.
