

This term in Year 2 we will be learning...

Literacy

Children will be taught Literacy on a daily basis with an hour lesson each day. They will continue to follow the Read Write Inc program as well as being taught in topic related literacy lessons. Writing and reading skills will also be taught through other subject areas within the topic.

Numeracy

Children will continue developing their skills in number, counting, partitioning and calculation. They will develop mental strategies for addition, subtraction, multiplication and division. They will also explore money, data handling, measures, shape and number patterns and problem solving.

Art and DT

In Art children will explore and use a range of cutting, drawing and painting techniques. They will use a range of joining techniques in DT to create a moving farm vehicle. They will also begin to understand where food comes from and the importance of a healthy, varied diet.

Science

During this topic children will be learning about animals, including humans, and plants. They will be looking at where food comes from, how animals obtain their food from plants and other animals, how animals are cared for and about the importance of a healthy diet and exercise.

Food, Farming and Festivals

Music

In music children will be taught to use their voices expressively when singing songs, chants and rhymes.

P.E

Children will continue to work with a sports partnership teacher developing their skills in a range of sports. As part of this topic children will also learn how healthy food is an essential part a healthy lifestyle.

Computing

Children will be taught to use technology safely and respectfully and will begin to recognise the importance of keeping personal information private.

R.E & PSHCE

In R.E. we will be learning about the bible and why it is so important to Christians. We will also learn about other religions and festivals which are celebrated around the world. In PSHCE we will be exploring new beginnings and settling into new class routines.
