Parent Online Safety Presentation

Thursday 14th February, 2:30pm in the Studio Hall

Dear Parents,

You are invited to come to a presentation at school being given by John Devlin, the Online Safety Consultant for Northumberland County Council, aimed specifically at informing parents and carers of the current issues surrounding online safety.

In school we regularly focus on E-safety with the children, including teaching the children how to stay safe online. We appreciate that sometimes parents can have a difficult job keeping up with their children with the fast-changing technology and apps available to them, let alone knowing the possible dangers they face. With such complex issues, we hope that this presentation will both be interesting and informative.

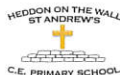

The presentation will have concluded by 3:15pm, in time for you to collect your children from their usual dismissing door.

I look forward to seeing you then.

If you have any questions, please do not hesitate to ask me.

Yours sincerely,

Mrs. H. Abbott,
Computing Co-ordinator

Whatever you do, work at it with all your heart.
