

Dear Parent/ Guardian,

Please find below the Year 3 spellings for Autumn Term 1. Each week includes 8 words using a new spelling rule and 2 red words; these red words are words from the Year 3 and 4 statutory spelling list. In the last week the children will be tested on all of the red words they have practiced so far. Each Friday there will be a spelling test on the words they have learned that week. They may not be read out in the order they are here. Please help your child learn their spellings at home throughout the week in preparation for their weekly test; most children find the 'look, cover, write, check' method very successful. Please record all of your child's spelling practice in their homework diary.
