

Referrals to Children and Young People's Service (Northumberland)

The Children and Young People's Service provides a single service to all children and young people aged 0-18 years living in Northumberland who present with mental health difficulties. This includes children and young people who may have learning difficulties and those living in a range of difficult and challenging circumstances.

The service is able to provide:

- Assessment, diagnosis and intervention on a range of mental health issues;
- Intensive response and home-based treatment for those children and young people whose mental health is causing significant concern;
- An intensive Eating Disorder Service to support children and young people on the eating disorder pathway who are at risk of inpatient admission;
- Training, consultation, support and advice to front line staff working in targeted services for children.
