

Year 6 Home Learning 13/11/2020 Daily Timetable

Morning Tasks	<p>Ask a family member to test you on your week's spellings. We would love to hear how you did. Please let us know!</p> <p>Look over your homework with a family member. Talk through your answers and what methods you used.</p> <p>Enjoy reading a chapter of your reading book/ library book aloud and discussing it with a family member.</p>
English	<p>Look through the slides to recap all the different reading style questions there are. Today you will be answering questions using textual evidence. Textual evidence is when you directly quote a phrase or sentence directly from the text. Remember to colour code your answer. You need to write your answer in pen and to show the textual evidence use a pencil.</p>
Maths	<p>Fractions on a numberline. Watch this tutorial: https://vimeo.com/468943588</p> <p>Next, look through the slides explaining how we can label intervals on a number line. Have a go at answering the questions on the accompanying worksheet. Some questions will be displayed on the slides for you as well.</p>
Computing	<p>Read through the slides. Following on from last week's lesson you are now able to start to generate ideas about your own virtual space. Remember to annotate your plans and don't forget we are in the planning stages.</p> <p>Next you will need your Purple Mash login. You will find you have a 2Do task set. Your task is to design your own 3D model. Remember to save and send me your fantastic design!</p>
