All Pigs Are Beautiful

Dick King-Smith

illustrated by Anita Jeram

Reading:

Practise reading the following pages. Don't forget to take notice of the punctuation marks and take a breath when there is a full stop.

I love pigs.

I don't care if they're little pigs
or big pigs, with long snouts or short
snouts, with ears that stick up or ears
that flop down. I don't mind if they're black
or white or ginger
or spotty.
I just love pigs.

If you really twisted my arm
and said, "You must have a
favourite sort of pig. What is it?"

then I might have to say, "A white, black-spotted,
middling-snouted, flop-eared pig that comes from
Gloucestershire" – though of all the pigs I ever
owned, my one particular favourite was
a boar called Monty, who was
a Large White.

Literacy

This text is written by Dick King Smith, who is a very famous author of books about animals. He also wrote Sophie's Snail stories.

Beautiful? I can't believe that ANYONE would think that pigs are beautiful... can you?

Have you ever been to a farm and seen pigs? What are they like? Think of some adjectives to describe them. Beautiful is certainly not one that I would think of.

Literacy

Today's task is to write a letter to Dick King Smith, persuading him that pigs are NOT beautiful!

Look at the example on the next page...

Dear Dick King Smith,

I am really enjoying your story so far, however, I am wondering why your book is called 'All pigs are beautiful?' Pigs are not beautiful at all. When I have seen pigs they have been as smelly as rotten food and they are monstrous. Pigs live in dirty, muddy conditions and are too noisy.

They are far from cute and some of them are extremely large.

I think that new-born babies or soft, cuddly puppies are beautiful but not pigs!

Yours Sincerely,

Miss Maher

Now complete the attached worksheets for Wednesday.

Challenge Questions

Only complete these if you want a further challenge from the lesson you have already done.

Dexter has these coins and notes.

He makes an amount greater than £20
but less than £30

Draw the money he could have used.
You can use each coin or note more
than once.

How many different ways can you find?

Here is a shopping list.

Item	Price
Rubber	20 p
Ruler	18 p
Pencil	32 p
Crayon	27 p
Pen	45 p
Glue	36 p

- I spend exactly 50 p. Which two items did I buy?
- I bought two of the same item and it cost me 90 p. What was the item?
- Choose two items. How many different amounts can you make?
- What is the closest you can get to 65 p?
