

Year 6 Home Learning 29/01/2021 Daily Timetable

Morning Tasks	<p>Ask a family member to test you on your week's spellings. <u>We would love to hear how you did. Please let us know!</u></p> <p>Daily mental maths: https://www.topmarks.co.uk/maths-games/daily10 (Level Six, Halves -> Up to 500)</p>
English	<p>This week you have drafted your first DISCURSIVE ARGUMENT - well done!</p> <p>Today you are going to edit and improve your writing and produce a final, neat draft.</p> <p>Please look at the slides for today's success criteria.</p>
Maths	<p>You've now completed a whole unit on percentages. Well done!</p> <p>Today we're going to recap and review your learning with a short assessment.</p> <p>Have a go at answering the twelve questions - remember, if you want to look back at past PowerPoints or past video tutorials to help you, they're all available on the school website under Home Learning -> Year 6.</p>
Music	<p>This week you will be completing lesson 3 in our unit learning about Metre. The focus of today's lesson will be exploring compound time. Before you watch the lesson you will have a quiz that will help recap your learning from the last lesson. After you have finished watching the video there will be another quiz to check your understanding about compound time. Click on the link below to access today's lesson.</p> <p>https://classroom.thenational.academy/lessons/to-explore-compound-time-71h64d</p>
Computing	<p>Your coding activity is the Helicopter swipe game. You have been set this as a 2Do task, all you need to do is log onto your Purple Mash and have a go at the different challenges. Remember to watch the help videos and click on the hint button when you need some extra help. Over the last few weeks, you will have discovered new</p>

	vocabulary linked to coding. You will find a document that explains the coding vocabulary. Why don't you read the definitions first and see if you can remember the correct word. You could test your family's knowledge on coding.
