

Year 6 Home Learning 14/1/2021 Daily Timetable

Morning Tasks	<p>Practise this week's spellings using look, cover, write, check method. Can you practise your cursive handwriting by using each word in a sentence?</p> <p>Daily mental maths: https://www.topmarks.co.uk/maths-games/daily10 (Level Six, addition)</p> <p>Enjoy reading a chapter of your reading book/ library book aloud and discussing it with a family member.</p>
English	<p>Today you will continue creating your non-fiction book. Look through the slides to help you with your task.</p>
Maths	<p>Decimals as Fractions. Watch this tutorial: https://vimeo.com/490693175</p> <p>Next, look through the slides explaining how to work out decimals as fractions. You need to complete the accompanying worksheet and answer the true or false question.</p>
PE	<p>Take a break from being sat at your desk and complete some exercises such as the Joe Wicks PE lessons.</p>
Science	<p>Our new unit this half term is called Living things and their habitats. Today you will recap ways of grouping organisms according to their characteristics. You need to read through the slides and discuss with an adult the reasons behind your choices. Then you need to complete either worksheet 1A or 1B using the animals cards.</p> <p>Finally, it is a challenge by choice. You need to complete challenge A or B. Your task is to create a poster or presentation that describes each group of animals. Since there will be some research required to complete this task. Please email us your presentation by Sunday 15th January.</p>
