

We are going to be learning about this ladies life and what made her famous. What questions do you have about this picture that will help us find out about who she was? Can we see anything in the picture that give us any clues? This lady is not Grace Darling, but are they similar or different in any way? Have a think!

Have a go at writing/ drawing your thoughts and questions about the picture of the lady. (Worksheet on website and pictured below)

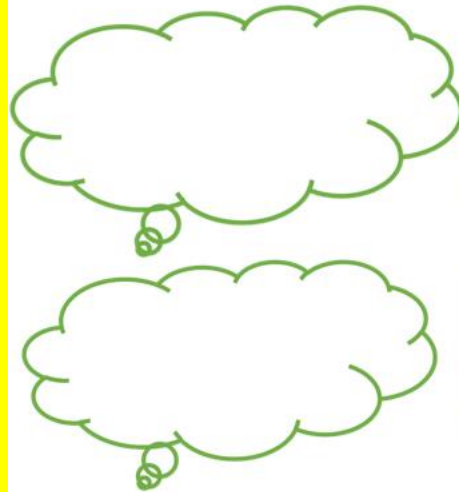

We are going to be drawing 'inferences' and asking questions. An inference is what we find out from clues.

For example I think this person lived long time ago because of what she is wearing. Her clothes look old fashioned.

My question is why is there a skeleton in the picture? Is it a dinosaur skeleton?

L.O: I can use a picture to draw inferences about a famous and significant person. I can ask questions about what else I would like to know.

Now we are going to watch a video about the lady in the picture and find about her life and why she is famous.

Have a think (You don't have to write anything down for this part)-

Who was the video about?

What did she do?

What did she discover?

Why is she important?

Were any of your inferences right?

Did you get your questions answered?
