

Year 6 Home Learning 12/02/2021 Daily Timetable

Morning Tasks	Ask a family member to test you on your week's spellings. <u>We would love to hear how you did. Please let us know!</u>
English	<p>So we've just finished our class text, Kaspar Prince of Cats. Did you enjoy it? What did you think of the plot, setting and characters? Does it make you want to read more Michael Morpurgo books? Or maybe more historical fiction?</p> <p>Today you're going to write a book review on Purple Mash. It has been set as a 2do. Before you begin, read through the slides for some good examples. If you need any help either logging in, or with completing the task, please drop us an email.</p>
Maths	<p>Today's learning objective is to learn how to find pairs of values - lesson 2.</p> <p>Watch this video before you begin today's work: https://vimeo.com/503100955</p> <p>Next, go through the PowerPoint slides with an adult and complete the warm-up tasks as you go. Once you've had a go at the tasks on the slides with an adult, see if you can complete the worksheet independently. There are some additional questions on the slides to answer as well.</p>
Maths	<p>You've now completed a whole unit on algebra. Well done! Today we're going to recap and review your learning with a short assessment.</p> <p>Have a go at answering the nine questions - remember, if you want to look back at past PowerPoints or past video tutorials to help you, they're all available on the school website under Home Learning -> Year 6.</p>
Music	<p>This week you will be completing lesson 5 in our unit learning about Metre. The focus of today's lesson will be to explore irregular metre. Before you watch the lesson you will have a quiz that will help recap your learning from the last lesson. There is a worksheet to complete whilst watching the video. After you have finished watching the</p>

	<p>video there will be another quiz to check your understanding about irregular metre. Click on the link below to access today's lesson.</p>
