

## Year 6 Home Learning 4/02/2021 Daily Timetable

Morning Tasks	<p>Daily mental maths: <a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a> (Level Six, Fractions -&gt; You choose)</p> <p>Log on to Purple Mash this morning and read the second chapter of the reading book which has been assigned to you. There are five multiple choice questions to answer when you have finished.</p>
English	<p>Over the next two English lessons, you will be writing your own newspaper report about the sinking of the Titanic. The powerpoint slides will be your guide for today and tomorrow; they explain all the key features that you will need to use in order to be a successful journalist. Read the slides carefully, listen to the guidance and begin to write your report today. Don't rush, you have tomorrow to finish your article.</p>
Maths	<p>Today's learning objective is to learn about substitution . Watch this video before you begin today's work: <a href="https://vimeo.com/500489180">https://vimeo.com/500489180</a></p> <p>Next, go through the PowerPoint slides with an adult and complete the warm-up tasks as you go. Once you've had a go at the tasks on the slides with an adult, see if you can complete the worksheet independently. There are some additional questions on the slides to answer as well.</p>
PE	<p>Take a break from being sat at your desk and complete some exercises.</p> <p>You can continue to complete the Joe Wicks PE lessons (PE with Joe 2021).</p> <p>Remember you also have Commando Joe's Missions. You can find the missions on their YouTube channel. Please feel free to complete any missions that suit you.</p>
Science	<p>This week you will be learning more about Carl Linnaeus and his classification system.</p>

To warm up, watch the vlog style film about Carl Linnaeus. Share with an adult what you found out.

The Work of Carl Linnaeus

<https://www.bbc.co.uk/teach/class-clips-video/science-ks2-the-work-of-carl-linnaeus/zhnjf4j>

Now, look through the slides and discuss your ideas with an adult.

Next, explore the classification systems and talk through the worksheets linked to them, with an adult. Your task is to complete either worksheet 4A, 4B or 4C.

Hint: When completing the table, find the species that you need and work your way back up the classification system.

As always, if you should require any assistance in completing any of the set work, or have any queries, please contact us at [year6home@heddon-school.co.uk](mailto:year6home@heddon-school.co.uk)

Please send all completed work back to the above email address at the end of each day. This can be attached as an uploaded photo 😊
