

Topic Grid for Foundation Subject lessons

Year 1: WC 1st March 2021

We understand that home learning works differently for everyone, so in Key Stage One, we are going to upload a learning grid for lessons and activities for the afternoon sessions. Science and History should be done each week.

If your child is attending the key worker provision in school, we have identified which lessons will be taught in school and on which days so that these activities won't be duplicated.

The morning lessons including English and Maths will continue as normal online and be uploaded daily.

Please continue to email via the home learning email addresses.

Lessons in school; Monday – Geography, Tuesday – P.E and computing, Wednesday – P.E and music, Thursday – Science, Friday – Art (Y1) and DT (Year 2)

Geography	Science	R.E
