

Topic Grid for Foundation Subject lessons

Year 1: WC 22nd February 2021

We understand that home learning works differently for everyone, so in Key Stage One, we are going to upload a learning grid for lessons and activities for the afternoon sessions. Science and History should be done each week.

If your child is attending the key worker provision in school, we have identified which lessons will be taught in school and on which days so that these activities won't be duplicated.

The morning lessons including English and Maths will continue as normal online and be uploaded daily.

Please continue to email via the home learning email addresses.

Lessons in school; Monday – Geography, Tuesday – P.E and computing, Wednesday – P.E and music, Thursday – Science, Friday – Art (Y1) and DT (Year 2)

Geography	Science	R.E
Work through power point about continents. Then use the pictures and information on the power point to label the continents on the worksheet. There is also an optional starter task which will refresh the children's learning from the beginning of year 1.	Start by writing out acrostic poem for spring with what the children already know. If children have no prior knowledge of this it is ok to skip this. Then go through spring ppt. Then go on beginning of spring hunt. Can we find anything on our list to show us spring is coming? Worksheet-draw a picture and write a sentence for each section.	Watch videos linked on power point about spring. Design a poster about spring and what you could see on the power point. Can you include anything on your poster about new life?
Music	Art	Computing
Oak Academy lesson: Exploring different ways to use your voice (thenational.academy)	Read through power point. Task: Follow link and sketch a landscape in the style of Ted Harrison. 2nd Grade- Ted Harrison Houses, Lesson 1 - YouTube	Start by writing down all of the fish We are going to make a power point presentation of a collection of images. Use pixabay to find the images. Build up your collection by copying and pasting the images onto a PowerPoint. 1.9 million+ Stunning Free Images to Use Anywhere - Pixabay
P.E	Afternoon google classroom meet	Purple mash/Tapestry tasks

<p>Watch this video of dance moves for the 4 seasons: Physical Education KS1 / KS2: Dance Zone - Simple Movement Patterns - BBC Teach Then can you have a go at making your own dance moves for the seasons? You can upload your videos to tapestry, I would love to see them!</p>	<p>We will be introducing daily google classroom meet after lunch at some point this week. The sessions will be short get togethers. The session will be live story times or something else fun in that time slot. It is important that the children attend this session every day. A register will be taken in every session. More information about the commencing date and times will be posted on tapestry in the week.</p>	<p>I will be setting some fun topic related tasks on tapestry. I will also be setting tasks on purple mash as usual.</p>
