Complete your own me on the map! Ask a grown up to help you with this if you have forgotten. Worksheet for this on school website.

Geography  
Lesson 1: In today's  
lesson we are going to  
be learning about  
continents!

# Ernest Shackleton the explorer.

Shackleton was a very famous explorer. He explored a continent. He sailed on his ship. We will learn more about his story in the following weeks. Today we are going to learn about continents. See if you can guess which continent he explored...

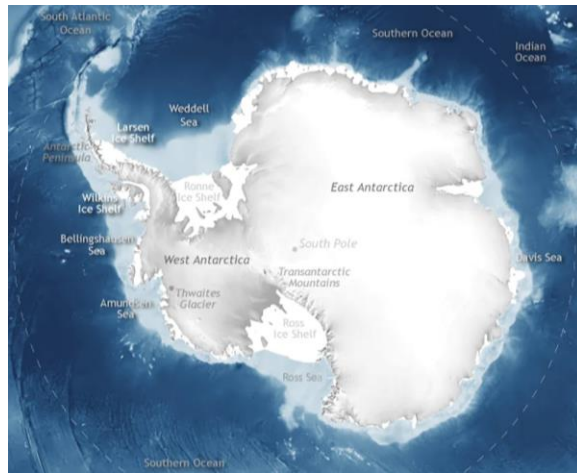

In simple terms a continent is a very very very large bit of land! There are 7 continents in the world. Every country is part of a continent. Our country is England and we are part of the continent Europe. Can you find us on this map?

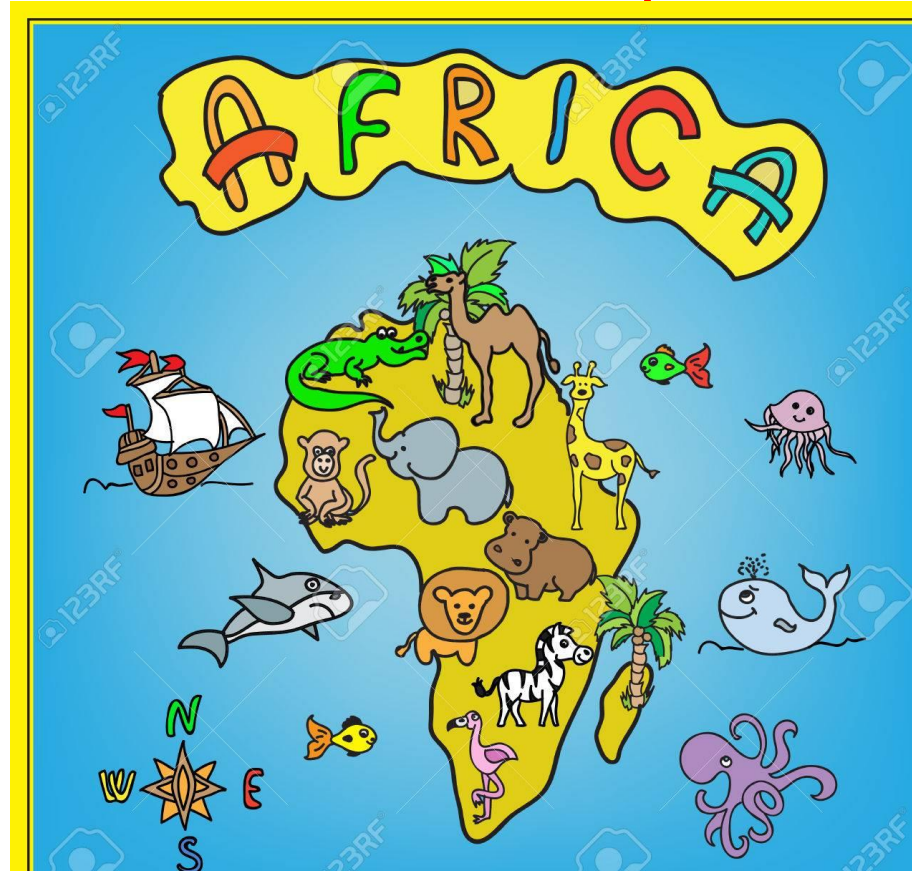

Let's be just like Ernest Shackleton and explore the continents!  
Get your passports we are off to see what we can find!  
All aboard...whooooshhh!
