What I Have Learned

Summer Bucket List

Flap Book

Students write about the friends they want to see during the summer as well as the places they want to go and things they want to do.

Students can write their names on the handle.

Things I want to do

Includes four different versions of the pages: blank, lined, blank & line, & picture frame, and two versions of the cover (with and without a sun).

Brainstorming a list of each section will help students who need additional vocabulary and spelling support.

After all the main sections are completed, have students cut out the bucket pieces and place two staples at the top of the bucket. Glue the handle to the back of the stapled pages.

Instead of creating a flip book, students can create a presentation of what they want to do over the summer.

WORD PROBLEMS	CURRICULUM MAP TEMPLATE	ADDITION & SUBTRACTION
This is perfect for teachers whose students struggle solving word problems. Have you ever thought of removing the numbers from word problems? Great for first and second grades.	Do you struggle with long range planning? This curriculum map template will get you started on planning for your whole year!	Two-digit addition and subtraction can be tricky for students. Here is a sample of resources to help them explore different models and strategies.
