

7th July 2023

Dear Parents / Carers,

It has been lovely to be back in School this week after accompanying our Year 6 children along with children from Darras Hall, Belsay and Richard Coates Primaries to France. Our children were impeccably behaved and both Centre staff and the bus driver commented on how amazing they were. They had a great time practising their French and meeting the children from our Partner School. Please see the pictures later in the Flyer.

Next Friday (14th July) is our Sports Day. As usual each Key Stage will be outside for an hour and parents are welcome to come and join us for this event.

Unfortunately due to Safeguarding procedures parents are unable to remain on site between Key Stages. We are aware that it can be hot and sunny in July and therefore we would ask that the children have a water bottle and sun hat as well as sun cream on for this event. The dangers posed by the Sun and heat are behind the School only running the event for an hour per Key Stage to mitigate the risk to the children. We would like to thank Dan Farndale from Newcastle United Foundation who has helped to organise this event.

The coming week is also the culmination of the Pele Trust FLOW Arts Project. The School choir is performing with the other primary Schools on Thursday 13th July 2023 and the exhibition is staying open on Tuesday 11th July from 4.30pm-6.30pm specifically for children and parents from Heddon to see the work that the children have been doing. This is a great opportunity for you to share the work your child has done with them. We look forward to seeing you there.

Many thanks to all the people who were involved in both organising and running our Armed Forces Day last Friday. While I was unable to be here I heard that it was a brilliant day and enjoyed by all.

Well done to Year 5 with the best attendance this week of an amazing 100%.

I hope that you enjoy reading this bumper flyer and that you have a fantastic weekend.

Mr. A. Wheatley,  
Headteacher

## Attendance Matters

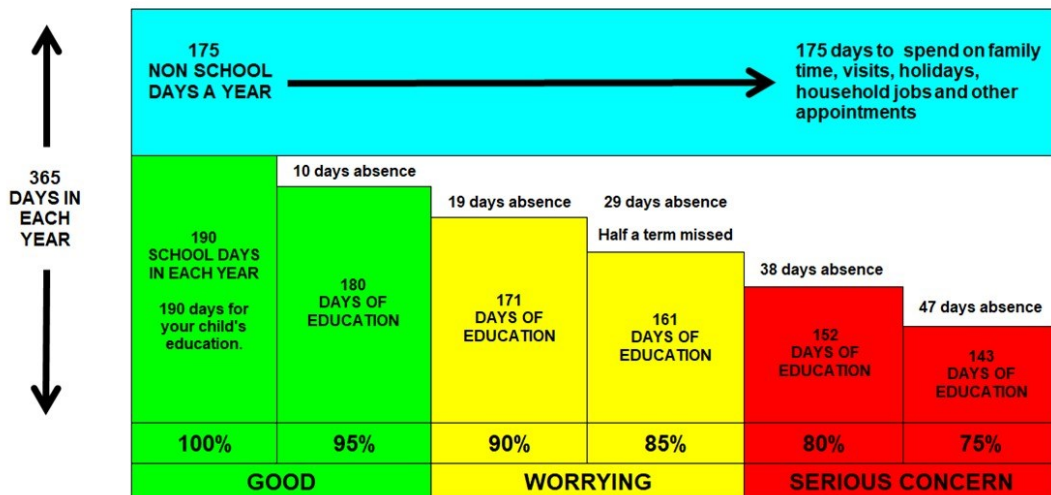

We continue to focus on attendance and punctuality so please remember that our School starts at 8.55am (9am for Nursery) and anyone arriving after this time will be marked as late.

Attendance for this week is summarised below:

Class	Attendance	Class	Attendance
Reception (Owls)	94.6%	Year 3 (Gibside)	96.4%
Year 1 (Wallington)	98.1%	Year 4 (Lindisfarne)	93.6%
Year 2 (Cragside)	94.3%	Year 5 (Bamburgh)	100%
		Year 6 (Dunstanburgh)	97.9%

Please see the graphic below which shows the significant impact of absence over time.

Days off School add up to lost learning!

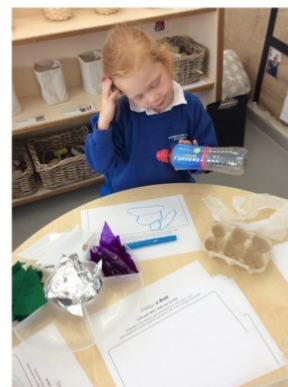

'Whatever you do work at it with all your heart'

This week in Nursery,  
we have been exploring  
'floating and sinking'.

We have been busy  
making our own boats  
and testing them in the  
water area to see if they  
could float. Great work,  
Hedgehogs!

The children in Reception have been taking part in Bikeability sessions this week and have made the most amazing progress! In just three days some have progressed from using a balance bike to confidently riding a pedal bike whilst others have been peddling around obstacles and using their brakes to stop safely. Fantastic work everyone!

## Making an Animated E-Book with Year 1

This week Year 1 have been continuing to create their own animated e-books using 2create a story on purple mash. This week we added new pages to our story by drawing pictures, typing the text and adding animation to the picture we had drawn.

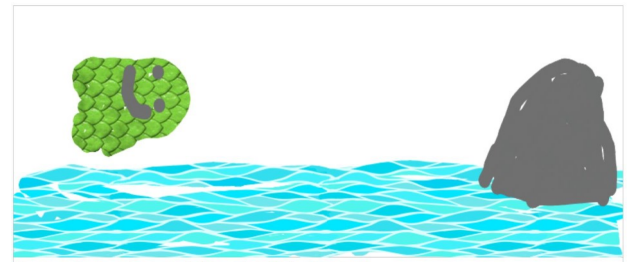

lala was playing with her ball in the garden but it fel doun the hole.

"What is this," said Tily.

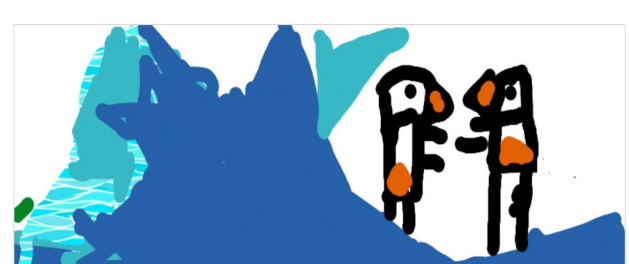

Boby wus at the parc.

Emma saw a cave and she swimd into the cave.

Jet saw a hair he tride to get the hair.

Penny was playing with her freinds.

## Positional Language in Year 2

In Year 2 we have been putting our positional and directional language to good use. We took it in turns to make a pattern with shapes and then we had to hide our pattern and describe it to our partner. The challenge was to see if our partner could create exactly the same pattern by following our instructions. Great work Year 2!

### Ukuleles and Computers in Year 3

It has been a very busy week in Year 3! On Wednesday afternoon, we had a great time in computing then performed our ukulele concert. In computing, we have been working in groups to explore computer simulations and continued working on our most complex simulation yet! It is challenging to make decisions as a group however this mission has really captivated our interest. Then, it was time for our ukulele concert; we loved having the chance to show off all of our hard work.

## Animation in Year 4

This week in computing, Year 4 have had lots of fun creating an animation of their own name. They used coding blocks to make their letters change colour, change size, make sounds and move. You can see some of their exciting work being coded in this picture. The children all know how to sign into our class account if you would like to look at them together!

## Archery in Year 5

This week, Year 5 have had a lot of fun as they have had the opportunity to try something new. The children have been taking part in an exciting Archery workshop learning how to hold and fire a bow and arrow safely. There were even some fun games, where they were split into teams and they had to score the most points by hitting smaller targets.

## Our Final Class Text in Year 6

Year 6 have enjoyed a week full of reading! We have completed our final ever class text at Heddon, Holes, and it was overwhelmingly voted as our favourite class text this year. The ending of the story is fantastic; full of twists, turns and tying up loose ends. We are looking forward to watching the movie next week as a reward for our hard work this year. On a side note, I had an email from Mr Allman last night to say that the children were fantastic during their transition day yesterday and this is a delight to hear. It follows on from their excellent behaviour throughout our residential trip last week. Well done Year 6.

## Year 6 on Tour in France!

Year 6 had an amazing visit to France last week with the Year 6 children from Richard Coates. We did loads of amazing things such as meet up with the children from our partner school, swap books and find out about each other by using our French. We had a trip with them to Amiens Cathedral where we sang songs together and to each other. We also had time to learn about World War 1, visit the memorial at Vimy Ridge and sing remembrance songs before ending with a quick but moving visit to the beaches at Dunkirk. We made lots of new friends both in France and with the children from Richard Coates. Behaviour was exemplary and was complimented wherever we went. Well done Year 6!

Our Rocksteady Bands wowed an extra large crowd this morning at their very first concert! After only 10 weeks as a band, equating to just 5 hours rehearsal time, each band braved the stage and gave it their all. We are extremely proud of them .... just fantastic!

### ***Musical Opportunities for next academic year ...***

St Andrew's Singers—our super school choir, led by Mrs Milner and Mrs Graham will continue to run in the Autumn Term. It runs each Monday and Thursday morning from 8.30am. Choir is open to all children from Year 1 upwards at a cost of £10 per term/per child.

Rocksteady Music has proved popular during the Summer term. If there is sufficient interest for next term then they will return. Rocksteady is an external band based peripatetic music service delivered by professionals. For those who have already subscribed, your online subscription will continue, should you wish to do so. For any interested newcomers, please contact [admin@heddon-school.co.uk](mailto:admin@heddon-school.co.uk) for further information.

We have an opportunity to engage a cello tutor; we are currently trying to gauge interest. If you are interested in cello tuition please contact [admin@heddon-school.co.uk](mailto:admin@heddon-school.co.uk) by Friday 14th July.

Music Partnership North are now advertising their County Music Ensembles & Choir for next academic year. Please see next page for what they have on offer.

Keyboard tuition will continue with Mr Reay. Please contact [admin@heddon-school.co.uk](mailto:admin@heddon-school.co.uk) for information.

Whole class ukulele tuition will be on offer for children in Years 3 and 4 with Mr Reay next year. Further details to be sent out.

Music lessons with specialist Music and Singing teacher Mrs Milner will continue for each year group from Nursery to Year 6.

## MPN Stepping Stones

### OPEN TO ALL INSTRUMENTS

Entering the second year of it's existence, Stepping Stones is providing students the experience and support while them take the first steps into ensemble playing. This ensemble is open to any instrument, all we ask is that students:

- Have been playing for a minimum of one year
- Are enthusiastic about meeting other like minded musicians
- Are eager to learn new tunes and improve their playing

Stepping Stones does exactly what it says - it provides the knowledge and experience to bridge the gap between school-based tuition and Northumberland Youth Ensemble, Northumbrian Ranters or Bedlington Brass Band. The opportunities are endless!

**Rehearsal Schedule:** 8 rehearsals throughout the year at Morpeth First School, 6.15 - 7.45pm.

**Entry Requirements:** Students should have had tuition for 1 school year, including whole class tuition.

(We do not like to turn anyone away so please contact us if you are not sure.)

*"Ensemble playing is more than the sum of its individual parts. Playing in an ensemble allows students to develop team skills, sacrificing one's ego to benefit the team. Skills learnt include learning balance, intonation, rhythm and performance etiquette in a group setting."*

*The Roatts College, Sydney Australia*

**Cost: £100**

## The Hoolies

### YOUTH CHOIR

Hoolies is the dynamic MPN youth choir and our aim is to build on the positive work done by school choirs and vocal projects.

This ensemble brings together vocalists of all abilities from across the county to sing a wide variety of music from all over the world.

Over time, this will also give more advanced/experienced singers the opportunity to develop their own vocal leadership skills and play a part in shaping the direction of this project.

**Rehearsal Schedule:** 8 rehearsals throughout the year at Morpeth First School, 6.15 - 7.45pm.

**Entry Requirements:** Students of all abilities between the age of 7 -18

*"It really helped my daughter feel less isolated. Music is her only extra curricular activity and these groups were wonderful for her mentally!"*

**Cost: £100**

## Young Pipers Group

### NORTHUMBRIAN SMALL PIPES PERFORMANCE GROUP

The aim of the group is to encourage players, no matter what level of ability, to share enthusiasm and skills with other young pipers.

This ensemble is only possible by the kind support and sponsorship of the Northumbrian Pipers Society and Mindrum Estates.

Working together we continue to encourage students to learn this traditional instrument. Playing the Northumbrian pipes is not just technique, it encompasses the rich heritage of our county and the strong traditions of our music and instruments.

Northumbrian Pipes can be hired from both Music Partnership North and the Northumbrian Pipers' Society.

Peer to peer support is a key focus of the sessions.

**Rehearsal Schedule:** 8 rehearsals throughout the year at Morpeth First School, 6.15 - 7.45pm.

**Entry Requirements:** An interest to learn through to open standard. All are welcome!

*"Thank you so much for your magnificent contribution to the Open Weekend. Your pipers were really wonderful, and gave a great deal of pleasure to our visitors. You were all so beautifully turned out, and a great credit."*

**Are you stuck for something to read?**

**Can you not find a great new author?**

The Summer holidays is a great time for children to be able to spend some time with an exciting new book whether on the airplane to foreign places, in the car around and about or just lazing in the garden at home.

One of the most common questions we are asked in School about books is what do we recommend.

The Books Trust has put together some lists of the best books for children split across different age ranges:

For books for 0-5 years please [click here](#)

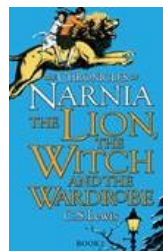

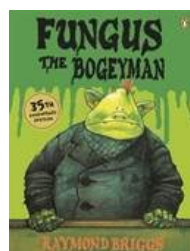

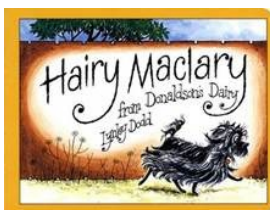

For books for 6-8 year olds please [click here](#)

For books for 9-11 year olds please [click here](#)

For books for 12-14 year olds please [click here](#)

I wonder how many of these books you have already read?

Don't worry if you cannot afford to purchase these books as you are able to order any of them for free from your local library

## Ideas for the Summer Holidays

### Staying Fit and Healthy

The Summer holidays is a great time for families to get out and about in the beautiful outdoors. This can be difficult when children seem super-glued to their electronic devices so Internet Matters has put together a useful advice page with lots of different apps for children of all ages to get them motivated to get outside! To check out this page please [click here](#).

### Eating out

As the UK continues through a cost of living crisis the School is aware that for some families providing a hot meal each day can be challenging therefore please see the graphic below from 'Money Saving Central' which lists the places where kids can eat for free or for £1 during the 6 week Summer holiday 2023.

## What Parents & Carers Need to Know about

# RUMBLE

AGE RESTRICTION  
**12+**

on the App Store;  
Teen' on Google Play

A video-sharing platform designed as an alternative to YouTube, Rumble is the epitome of a 'slow burner' in digital circles: it was initially launched in 2013, but it's only in the last two or three years that it's begun to gain serious traction. Much of Rumble's recent growth has stemmed from its association with Truth Social, the platform founded by former US President Donald Trump. Rumble's content frequently reflects some intense political viewpoints; this can often affect the way it approaches topics and has occasionally caused the platform to venture into controversial territory.

### WHAT ARE THE RISKS?

#### POLITICAL AFFILIATIONS

The company which developed Rumble is also responsible for hosting Truth Social, the often contentious news and social network founded by Donald Trump. Indeed, Rumble's content often reflects the ideas of one group of US voters, who have embraced it as an alternative to more mainstream social media. Many parents may feel that such an overtly political platform isn't suitable for young people.

#### PROVOCATIVE CONTENT

Rumble prides itself on championing free speech, with its CEO declaring the platform "immune to cancel culture". Many of Rumble's highest-profile content creators – such as Andrew Tate and Russell Brand – are well known for sharing opinions which are often described as extreme. While adults might be equipped to treat this content objectively, much of it may not be appropriate for a young audience.

#### INAPPROPRIATE MATERIAL

In very simple terms, Rumble works a little like YouTube but with far fewer censors and restrictions being applied to its content. If age-inappropriate material or potentially harmful misinformation is trending on the platform and being shared among more mature users, there's a distinct possibility that Rumble's algorithm may also recommend that content to a child.

#### CONTROVERSIAL FIGURES

Many of Rumble's best-known accounts are owned by individuals who have previously been banned from other social media platforms. There could, of course, be a variety of reasons behind this – but it almost certainly increases the chances of your child coming across content on Rumble which probably wouldn't be deemed acceptable on other similar platforms.

#### SENSITIVE TOPICS

In recent months, some prominent Rumble influencers have expressed uncompromising views on sensitive subjects such as gun control, abortion, LGBTQ issues and more. With many Rumble accounts tending to display a noticeable political bias, the concern would be that young people using the platform may not always be presented with an impartial perspective on these important and complex topics.

## Advice for Parents & Carers

### TALK ABOUT POLITICS

Rumble does have a team of moderators, but the nature of the platform means that some permitted content is likely to be controversial and highly subjective. That possibility might make many parents uncomfortable – but if your child does view (or hear about) something provocative on Rumble, it can still provide a useful opportunity to discuss politics at home in a safe, relaxed environment.

### RESEARCH ALTERNATIVES

No video-sharing platform is totally free from potentially harmful content, of course – but the number of prominent account holders on Rumble whose output has previously been banned from similar services is certainly a cause for concern. If your child is becoming interested in influencer culture or politics specifically, you could perhaps research more family-friendly platforms together.

### CHECK UP REGULARLY

Like any video-sharing platform, there's a chance that Rumble might suggest inappropriate content for your child. There may be an algorithm issue – or it could be that the recommendations are based on videos they've previously viewed. If your child uses Rumble, you might consider a chat with them about which accounts they follow and what type of content is suitable for their age.

### DISCUSS IMPARTIALITY

Many prominent Rumble accounts wear their political leanings firmly on their sleeves. As a result, it can be tricky for impressionable young people to appreciate both sides of any given debate. If your child is old enough to use Rumble, you may feel that a discussion of some things they've seen might be prudent – if so, be prepared for some complex (and possibly lengthy) conversations!
