## Introduction

Excellent attendance promotes excellent learning. We know that regular school attendance is essential if children are to achieve their full potential as there is clear evidence of a link between poor attendance at school and lower academic achievement.

Pele Trust schools believe that regular school attendance is crucial to allowing children to maximise the educational opportunities available to them and become emotionally resilient, confident and responsible. This will support them to achieve well and make a positive contribution to their community.

We value all of our children, pupils and students. As set out in this policy, Heddon-on-the-Wall St. Andrew's CE Primary School will work in partnership with families to identify the reasons for poor attendance and try to resolve any difficulties.

We believe attendance is a shared responsibility, involving the school, parents/guardians and local community. Our Attendance Policy should not be viewed in isolation; it is a thread that runs through all aspects of school improvement, and is supported by our policies on safeguarding, bullying, behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

### Key school information

1. The senior leader with overall responsibility to lead our work on attendance in school is Mr. Andrew Wheatley, Headteacher. Tel: 01661 853350; Email: [admin@heddon-school.co.uk](mailto:admin@heddon-school.co.uk)
2. Our school day begins at 8.55am and finishes at 3.15pm (Reception to Year 6).
3. Nursery sessions run from 9.00am-3.30pm.

## Principles

The following important principles underpin our approach to managing attendance:

- Pupils and parents/carers will understand the school's expectations and procedures for attendance and punctuality;
- All school staff, including Academy Committee members, administrative and support staff will understand the expectations and procedures for attendance and punctuality;
- Clear procedures to support good attendance are reviewed annually;
- The importance of good attendance is regularly reinforced through our pastoral system and the curriculum;
- Parents/carers and pupils have the opportunity to raise concerns and share in addressing those concerns;
- We will allocate appropriate resources, e.g. time, people, space to support good attendance;
- We will recognise and reward good attendance and those who strive to improve their attendance;
- We will be proactive in identifying patterns of absence and intervene early;
- We know that patterns of attendance are established early in a school career;
- Children who miss significant amounts of their education in primary schools are more likely to truant in secondary school;
- We will analyse data to identify individual pupils, cohorts and groups across the school;
- Pele Trust schools will work together using data to identify students early;

- Appropriate sanctions for failing to ensure regular attendance are fully understood by the whole school community and parents/carers.

#### **Pele Trust define key levels of attendance as:**

| <b>Attendance</b>    | <b>Description</b>                    |
|----------------------|---------------------------------------|
| <b>98 -100%</b>      | Excellent                             |
| <b>95-97.9%</b>      | Good                                  |
| <b>92-94.9%</b>      | Caution                               |
| <b>90- 91.9%</b>     | Cause for concern                     |
| <b>89.9 or below</b> | Persistent Absence<br>Serious Concern |

- Not keep their child off school to go shopping, to help at home or to look after other members of the family;
- Avoid taking their child on family holidays during term-time.

## Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of Compulsory School Age at the beginning of the term following their 5<sup>th</sup> birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement. This responsibility is undertaken by the Education Welfare team at Northumberland County Council.

The Education (Pupil Registration) (England) Regulations 2006, directs schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

The register must record whether the pupil was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

## **Categorising absence**

Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

Absence can only be authorised by the school and cannot be authorised by parents/carers. All absences will be treated as unauthorised unless a satisfactory explanation and or evidence for the pupil's absence has been received.

Parents/carers should advise the school by telephone on the first day of absence and provide the school with an expected date of return. This can be followed up in the form of a written note/email from the parent/carer, though verbal explanations are acceptable. Alternative arrangements will be agreed with non-English speaking parents/carers.

Absence will be categorised as follows:

### **Illness**

In most cases a telephone call or a note from the parent/carer informing the school that their child is ill is acceptable. Where there are repeated absences due to reported illness parents/carers may be asked to provide medical evidence. This will usually be in the form of an appointment card, prescription etc.

### **Medical/Dental Appointments**

Parents /carers are encouraged to make medical and dental appointments outside of the school day. Where this is not possible, pupils should aim to attend school for part of the day. Parents should show the appointment card to school.

### **Other Authorised Circumstances**

This relates to occasions where there is cause for absence due to exceptional circumstances, for example, family bereavement, funeral, visiting a parent in prison or part time timetable agreed as part of a reintegration package.

### **Suspension (No alternative provision made)**

Suspension from attending school is counted as an authorised absence. The child's class Class teacher will usually be the person to make arrangements for work to be emailed or sent home.

### **Leave of absence (LOA) during term time**

Amendments to the 2006 pupil regulations (in 2013) removed references to family holiday, extended leave and the statutory threshold of ten school days. Requests for school absence in term time may be authorised at the discretion of the Headteacher if deemed exceptional.

The amendments make clear that:

***'Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted'***

Leave of absence during term time is entirely at the discretion of the Headteacher and is not a parental right.

It is at the Headteacher's discretion to request the Local Authority to issue a Fixed Penalty Notice

All decisions in relation to whether leave of absence is granted (authorised) or not (unauthorised) should be applied consistently and equitably.

### **Application Process (LOA)**

- A parent/carer requesting leave of absence during term time should make the application in writing or email at least two weeks in advance;
- School may request further information or invite the parent/carer into school to discuss the reasons for the application and the impact the absence may have on the child's education;
- The school will reply to all applications/requests promptly;
- If leave is not granted, the reason for not authorising a request will be clearly stated, setting out why exceptional circumstances have not been met; this will usually be via email;
- If leave is granted, the length of authorised absence will be clearly stated including the date the child is expected to return to school including possible consequences if the child fails to return on that date;
- If a parent /carer removes their child from school without requesting leave of absence or without authorisation from the headteacher and the school requires the Local Authority to issue a Penalty Notice then the parent will be informed in writing that a request to the Local Authority to issue a Penalty Notice is being made.

**NB:** A minimum absence of ten sessions (five school days) which are unauthorised must be recorded against the pupils name within a 6-12 week period before a Penalty Notice should be considered. This guidance is in accordance with the Local Code of Conduct for Penalty Notices which was reviewed and revised in September 2013

If a pupil fails to return and contact with the parents /carers has not been made or received, despite significant effort to do so then school **may** take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2006. This means that the child will lose their school place.

### **Religious Observance**

Pele Trust acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance.

It is reasonable for a parent/carer to request their children not to attend school on any day of religious observance if recognised by the parent's/carer's religious body.

Parents/carers are requested to give advance notice to the school if they intend their child to be absent. However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, our reasonable approach is that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Any further absence will be categorised as unauthorised.

## **Traveller Absence**

The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

To protect Traveller parents/carers from unreasonable prosecution for non-attendance, the Education Act 1944, section 86, states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in a year. This is only when the family is engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits.

It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents/carers of their duties to ensure that their children are receiving suitable education when not at school.

When in or around Northumberland, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.

Heddon-on-the-Wall St. Andrew's CE Primary School will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at Heddon-on-the-Wall St. Andrew's CE Primary School will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

Heddon-on-the-Wall St. Andrew's CE Primary School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents/carers must:

- advise of their forthcoming travelling patterns before they happen; and
- inform the school regarding proposed return dates.

Heddon-on-the-Wall St. Andrew's CE Primary School will authorise absence of Traveller children if satisfied that a family is travelling and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school;
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service;
- The child is undertaking computer based distance learning that is time evidenced.

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil.

## **Late Arrival**

Registration begins at 9.00am; pupils arriving after this time will be marked as present but arriving late (L). The register will close at 9.10am therefore pupils arriving after the close of register will be recorded as late after registration (U); this will not be authorised and will count as an absence for that school session.

On arrival after the close of the register, pupils must report to the School Office to ensure their presence is recorded and the school can be responsible for their health and safety whilst they are on site.

Absence will only be **authorised** if a satisfactory explanation for the late arrival can be provided, for example, evidence of attendance at a medical appointment.

The absence will be recorded as **unauthorised** if the pupil has arrived late without justifiable cause, for example, if they woke up late.

### **Unauthorised absence**

Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the school.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday;
- Shopping for uniforms/shoes;
- Having hair cut;
- Closure of a sibling's school for staff training (or other) purposes;
- Leave of Absence taken without the authorisation of school.

### **Deletions from the Register**

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will only be deleted from the register when one of the following circumstances applies:

- The pupil has ceased to be of compulsory school age;
- The pupil has been permanently excluded and formal procedures have been completed;
- Death of a pupil;
- Transfer to another school;
- Pupil withdrawn by parents to be educated outside the school system, i.e. Elective Home Education;
- Failure to return from an extended holiday and only after both the school and the Local Authority have made every effort to locate the pupil and make contact with parents without success;
- A medical condition prevents their attendance and return to the school before ending compulsory school-age;
- In custody for more than four months (in discussion with the Youth Offending Team);
- 20 days of continuous unauthorised absence and after both the Local Authority and school have made every effort to locate the pupil and make contact with parents without success;
- Left the school but not known where he/she has gone after both the school and the Local Authority have tried to locate the pupil;
- The school is replaced by another school on a School Attendance Order;
- The School Attendance Order is revoked by the Local Authority.

Heddon-on-the-Wall St. Andrew's CE Primary School will follow Northumberland County Council's Children Missing Education (CME) Protocol when a pupil's whereabouts is unknown.

### **Using Attendance Data**

Pupils' attendance will be monitored half termly with the Education Welfare Officer and any concerns shared with parents. Attendance will be shared with all parents termly as part of Parents Evenings. Attendance data will be shared in a way that makes it easy to understand, e.g. number of sessions/days missed against possible total attendance.

Attendance data may be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

Indicators next to a pupil's name will show if their attendance has stayed the same, improved or deteriorated. This pupil level data will be used to trigger school action as set out in the Support systems section below.

Attendance data will also be used to identify emerging patterns and trends to inform whole school/Trust strategies to improve attendance and attainment.

Heddon-on-the-Wall St. Andrew's CE Primary School will share attendance data with the Department for Education and the Local Authority as required.

All information shared will be done so in accordance with the Data Protection Act 2018 and EU General Data Protection Regulation (GDPR) 2018.

## Support Systems

Pele Trust recognises that poor attendance is often a sign that there are more serious issues going on in a child's life. This may be linked to problems at home and or in school. Parents/carers should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

Heddon-on-the-Wall St. Andrew's CE Primary School also recognises that some pupils are more likely to require additional support to attain good attendance, for example, those pupils classed as Disadvantaged, with Special Educational Needs and Disabilities (SEND), with additional physical or mental health needs, migrant and refugee pupils and looked after children.

The school will implement strategies to support improved attendance. Strategies used may include:

- Discussion with parents and pupils;
- Attendance panels/ School Attendance Contracts (EXAMPLE Appendix 1);
- Attendance report cards;
- Referrals to support agencies;
- Learning mentors/pastoral support staff;
- Pupil voice activities;
- Friendship groups;
- PSHE;
- Reward systems;
- Time limited part time time-tables;
- Additional learning support;
- Behaviour support;
- Reintegration support packages.

The proposed support offered to families will be child-centred and planned in discussion with both parents/carers and pupils.

Where parents/carers fail or refuse to engage with the support offered and further unauthorised absence occurs, Heddon-on-the-Wall St. Andrew's CE Primary School will make a referral to the Education Welfare team and the use of legal sanctions will be considered

## Parenting Contracts

Used in conjunction with Fast Track to Attendance (Anti Social Behaviour Act 2003).

A parenting contract is a voluntary agreement between the school, the parent/carer and the Local Authority through the Education Welfare Officer (EWO). It can also be extended to include the child depending on their age.

The contract will outline attendance targets and detail agreed actions that will help to achieve the target. It can be used as evidence in a prosecution should parents fail to carry out agreed actions.

Parenting contracts will be used in accordance with Northumberland County Council's Protocol.

## **Legal Sanctions**

### **Prosecution**

Where intervention by school and the Education Welfare Officer fails to bring about an improvement in attendance, legal action in the Magistrates' Court may be taken. The school will provide Education Welfare / Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996, and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.

Section 444 of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

A parent found guilty of this offence can be fined up to £2500 and or be imprisoned for a period of three months.

Alternatives to Section 444 prosecution are:

- Penalty Notices;
- Education Supervision Order.

### **Penalty Notices**

(Anti Social Behaviour Act 2003)

Penalty Notices will be considered in accordance with Northumberland County Council's Protocols.

A Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £60 fine is paid within 22 days or £120 if paid within 28 days of the date the Notice was issued. Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996.

#### CONTRACT

For your child to gain the greatest benefit from her education it is vital that he/she attends regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. It is very important therefore that you make sure that Name attends regularly.

#### WHY REGULAR ATTENDANCE IS IMPORTANT?

Any absence affects the pattern of your child's schooling and regular absence will seriously affect his/her learning and levels of achievement.

Ensuring <<NAME's>> regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

#### UNDERSTANDING ABSENCE

Every half day of absence from school has to be classified by the school (not by the parents) as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for a good reason, such as emergencies or other unavoidable causes.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This type of absence can lead to the school using sanctions and/or legal proceedings involving the Local Authority. This includes:

- parents/carers keeping children off school unnecessarily;
- truancy before or during the school day;
- absences that have never been properly explained;

- children who arrive at school after registration has closed;
- shopping, looking after other children or birthdays;
- day trips and holidays in term time which have not been agreed as exceptional.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best addressed between the school, the parents and the child. If <<NAME>> is reluctant to attend, it is not acceptable to cover up his/her absence or to give in to pressure to excuse him/her from attending. This gives the impression that attendance does not matter and usually makes things worse. If <<NAME's>> attendance at school is affected by persistent illness the school will not authorise the absence until we are satisfied the absence is valid.

### **PERSISTENT ABSENTEE (PA)**

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling across the school year 'for whatever reason'. Absence at this level damages your child's educational prospects and we need your full support and cooperation to tackle this.

We monitor all absences thoroughly. If <<NAME>> is seen to have reached the PA mark or is at risk of moving towards that mark you will be informed of this immediately.

### **PROCEDURES**

If your child is absent you must:

- Contact the school as soon as possible on the first day of absence;
- Send an email/note into school on the first day they return with an explanation of the absence and the dates of the absence – you should do this even if you have already telephoned;
- Or, you can call in to school and report to reception, who will arrange for a member of staff to speak with you.

If your child's attendance deteriorates we will:

- Write to you;
- Invite you to school if absences persist so that we can discuss the situation;
- Refer you to the Education Welfare Service.

### **CONTACT DETAILS**

There are times when the school and Education Welfare team may need to contact you so we need to have your contact details. Help us to help you and your child by making sure we always have an up to date phone number and email address – if we don't then something important may be missed

Parents/Carers are expected to contact school at an early stage and to work with the staff in resolving any problems together; this is nearly always successful. If difficulties cannot be sorted out in this way, Education Welfare will become involved. The service will also try to resolve the situation by agreement but, if other ways of trying to improve <<NAME's>> attendance have failed and unauthorised absences persist, then sanctions such as Penalty Notices, Education Supervision Orders or prosecutions in the Magistrates Court will be used. Full details of the options open to enforce attendance at school are available from the Education Welfare Service/ Local Authority.

### **LATENESS**

Poor punctuality is not acceptable. If <<NAME>> misses the start of the day he/she can miss:

**Registered address:** The Crescent, Callerton Lane, Ponteland, Newcastle upon Tyne, NE20 9EG.

A charitable company limited by guarantee registered in England and Wales. Company number: 11395017.

- School work;
- Time with his/her class teacher;
- Receiving vital information and news for the day.

Late arriving pupils also disrupt lessons and therefore the learning of others; it can be embarrassing for the child and this can lead to unnecessary absence.

The school day starts at 9.00am and we expect <<NAME>> to be in class at that time. Registers are marked twice a day and <<NAME>> will receive a late mark if he/she is not punctual.

In accordance with the Regulations, if <<NAME>> arrives after the close of registration he/she will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence.

If your child has a persistent late record you will be asked to meet with staff in school to resolve the problem, but you can approach staff at any time if you are having problems getting your child to school on time

#### **Leave of Absence in term time.**

Any applications for leave must be made in advance and are at the discretion of the Headteacher. In making a decision the Headteacher will consider the exceptional circumstances of each application individually, including any previous pattern of leave or absence in term time.

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may generate sanctions such as a Penalty Notice.

I have read and understood the terms and conditions of the School Attendance Contract.
