

Primary Physical Education and Sport Premium 2022 / 2023

What is the Sports Premium?

The Government has provided funding to the school through the Primary Physical Education and Sport Premium. The Government vision for the Premium is:

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. This will be the legacy to the London 2012 Olympic and Paralympic Games.

This means that schools should use the premium to:

- Develop or add to the PE and sport activities that school already offers;
- Make improvements now that will benefit pupils joining the school in future years and link to the premium grant conditions and vision.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

- The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30mins of physical activity a day at school (kick-starting healthy active lifestyles);
- The profile of PE and sport being raised across the school as a tool for whole school improvement;
- Increased confidence, knowledge and skills of all staff in teaching PE and sport;
- Broader experience of a range of sports and activities offered to all pupils;
- Increased participation in competitive sport.

There are three key priorities:

Physical Education Literacy, Learning, Leadership (Attainment)	Sport Coaching, Competition, Clubs (Participation)	Health and Well-Being Enjoyment, Engagement, Exercise (Spiritual, Moral, Social and Cultural)
<ul style="list-style-type: none"> • High quality, age appropriate teaching; • Broad and engaging curriculum that empowers all young people regardless of ability, SEND or ethnicity; • Deliver comprehensive professional development opportunities to all practitioners to deliver confidently and competently. 	<ul style="list-style-type: none"> • Participation in a range of high quality extra-curricular opportunities delivered by appropriately accredited, qualified, skilled teachers and/or coaches; • Participation in a range of intra and inter competitive and non-competitive activities, where children have the opportunity to explore doing their best and being their best; • Establish links to community clubs, sport and physical activity including leisure and recreational activities. 	<ul style="list-style-type: none"> • All children are supported to develop and understand healthy behaviours and lead active lifestyles; • All children are supported to reach their full potential and develop into well rounded citizens; • All children are supported to develop leadership skills and foster positive sporting attitudes in themselves and others.

SWIMMING

Meeting National Curriculum requirements for swimming and water safety	
<p>What % of your current Year 6 cohort swim competently, confidently and proficiently over a distance of 25m?</p> <p><i>NB even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.</i></p>	55%
<p>What % of your current Year 6 cohort use a range of strokes effectively (for example: front crawl, back stroke and breast stroke)?</p>	55%
<p>What % of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	55%
<p>Schools can choose to use the Primary PE and Sports Premium to provide additional provision for swimming but this must be for activity over and above the National Curriculum requirements.</p> <p>Has it been used in this way?</p>	NO
