

18th July 2025

Dear Parents / Carers,

I can't believe that once again we are at the end of another academic year.

It has been a great year with lots of positive events and successes for both the school and the children. Our children have worked really hard this year. This was reflected in their scores in National Assessments: Key Stage 2 SATS, Year 4 Multiplication Table Check and Year 1 Phonic Screening Check. Well done!

We have had some wonderful services at Church, Christmas performances, a wonderful Leavers Assembly and of course, our amazing Choir and Drama Club Variety Show. Participating in the Pele Trust Kaleidoscope project with the art exhibition, choir concert and stunning performance at the Tyne Theatre allowed our children to make new friends and to shine to a wider audience.

These things do not happen on their own. They take a lot of work from an incredibly dedicated team. I would like to thank the staff at School supported ably by the Academy Committee and for the unremitting support of parents and carers throughout the year.

Finally I would like to say how proud I am of the children. They are truly amazing. They approach work with enthusiasm and resilience. They are so supportive and caring of each other both in lessons and in play. They truly reflect our school vision of putting love at the centre of what they do.

We are sad to say goodbye today to Mrs. Kenyon who is leaving us to take up a new post at Ponteland Primary school. I am sure that you will join us in thanking her for all of her hard work and wishing her well for the future.

We are pleased to welcome Miss Cook to our staff team for September. I am sure you will join with me in extending a warm welcome to her.

If you or your child have any questions about next year please check out our new 'Expectations for Year...' videos on our YouTube channel. They will answer many frequently asked questions and show you what expected work for that year group is as well as some tips to help your child do the best that they can and how you can best support them. You can watch the videos by [clicking here](#). These are new videos with updated information on them.

Well done to Year 5 with the best attendance this week: an amazing 100%.

Well done to Year 5 for the best attendance for this year: 97.4%.

I hope that you enjoy reading this flyer and that whatever you are doing this Summer you have a safe and relaxing holiday and we look forward to seeing you again on Tuesday 2nd September 2025.

We are going to miss all of our lovely Hedgehogs so much as you all head off for your summer holidays and get ready for your exciting new adventure in Reception. You've all grown into such kind, clever and curious little learners and we are so proud of you all!

PIC•COLLAGE

In a class full of laughter, learning, and cheer,
We've had the best reception year

We've painted and counted, we've sung and we've played,
We've made happy memories that will never fade.

We learned of people who help and care,
Police dogs came and sniffed the air!
A vet, a dentist (Evelyn's mum!) came by,
And Reverend Rachel showed us why
A baptisms a special day
In a gentle, thoughtful, splashing way.

Spring arrived with baa-ing charm,
Tiny lambs just hours old -
We cradled them in arms so bold.

Oh the bees - what a buzzing delight!
We dressed in yellow and took flight,
We drank nectar like bees, played pollen games,
Met the queen, saw hives and learned their name
Beekeepers taught us all they knew,
We tasted honey, sticky but true!

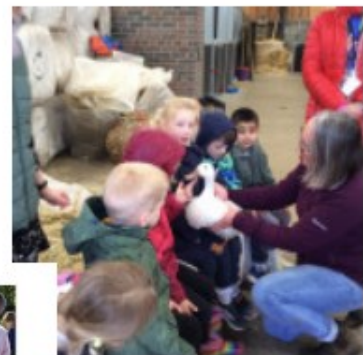

La Luna Farm was such a treat,
Pigs and horses - oh so sweet!
We held some birds, we smiled with pride,
Made flower bombs to plant outside.

Forest school was wild and fun,
Toasted marshmallows in the sun.
We whittled sticks and laughed all day,
Exploring nature every way.

To Baysleap farm we had to go,
Where dairy cows put on a show.
Ice cream? Yes, oh please!

At locomotion, what a thrill!
We saw the trains and felt the chill
Of engines past and future gleam,
It really was a railway dream.

Each one, a Special Star,
No matter where we are.
We've laughed, we've learned, we've had such fun -
Reception 2025, a year well done!

Rice Krispie Cakes and Friendship Bracelets in Year 1

What a wonderful final week we have had in Year 1 together. We have been doing many busy jobs this week and everybody has still worked super hard. This week we have all made friendship bracelets. As well as, due to popular demand we made rice krispie cakes and had a treat afternoon watching Monsters Inc. It has been a fantastic year with you all and I hope you all have a lovely summer!

Creating Classification Keys with Year 4!

Year 4 had a fabulous time exploring our school grounds with leaf identification sheets. They collected examples of leaves and then worked in pairs to generate their own classifications keys. We didn't have any paper large enough for our creations so we had to write on the tables (sorry, Heidi)!

Kosher Food with Year 5

This week in RE, Year 5 explored the fascinating world of kosher food. We learned all about the Jewish dietary laws, including how food must be prepared and what makes something kosher. From meat and dairy rules to the importance of food being blessed and handled correctly, the children were full of curiosity and thoughtful questions. To show their understanding, everyone had a go at designing their own kosher menus!

Goodbye to Year 6

Well Year 6, what can I say? Your time at Heddon has come to an end. It has been a privilege to teach you all during your final year; you will be a big miss to the school. Have a fantastic summer, get some rest and prepare for your next step in life. I hope to see you all again soon.

Please check out the children's poems from their leavers assembly which can be found on the school website or by [clicking here](#).

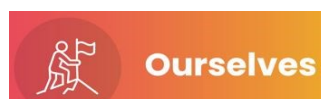

Heddon's Got Talent!

Thank you to everyone who participated in this year's competition. We are constantly amazed by how talented the children are. Our winners this year were: Toby (guitar playing), Louis and Jady (Archaeology presentation), Max and Isaac (telling jokes) and Maisie (piano playing)

Our overall winners who wrote and performed their own short comedy play were Arabella and Katie.

Well done everyone!

Heddon's Royal Variety Performance

The children really enjoyed performing in our 'Royal Variety Show' this week. There was dancing, singing and lots of drama culminating in our Kaleidoscope music and dance performance. All guests enjoyed an amazing meal organised by Mr. Bell, Pele Trust Chef which included a chicken burger, truffle chips and some gourmet popcorn! Both children and adults had an amazing time. Thank you to all the staff who gave up time to help organise and support this event.

Armed Forces Day Presentation

Following our Armed Forces Day we were pleased to present a representative from 3 Royal Horse Artillery (3RHA) with a donation of £626.10. This donation will go to their Red Cypher charity which provides support to past and serving personnel and their families.

Kids go free by Bus this Summer!

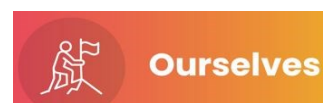

The Kids Go Free initiative will run across bus services in Tyne and Wear, County Durham and Northumberland from 19 July until 31 August 2025. This means up to three children aged 11 and under to travel for free with every fare paying adult or concessionary pass holder – making getting around during the summer holidays far cheaper for families across the region.

Metro and Ferry travel is free for children to travel with a paying adult all year round - so public transport is a great choice for families to explore this summer.

Running Club

Well done to all the runners that have attended Running Club.

We are very impressed by your commitment and dedication to attend every week. This is something we will continue because of your passion for running

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators STAYING SAFE AROUND WATER

Enjoying time in, on, and around water plays a vital role in a young person's overall development, offering a healthy and exhilarating way to have fun. This guide outlines essential safety advice, based on the Royal Life Saving Society UK's Water Safety Code, to help ensure children can enjoy swimming and similar activities safely and responsibly.

1 STICK TO LIFEGUARDED AREAS

It's never advisable to enter unsupervised bodies of water, especially alone. Instead, it's considered best practice to accompany children to places with lifeguards, as they will be trained to respond swiftly in emergencies and provide first aid when needed.

2 LEARN SIGNS AND FLAGS

When going to a new environment, it's important to research the local area and make children aware of safety signage before entering the water. If visiting the seaside, make sure children are always supervised by an adult and that they know what different beach flags mean, so they're knowledgeable of where and when they can enter the sea.

3 STOP AND THINK

Young people should be cautious before entering water, as it's difficult to know what hazards could be underneath. Use the Water Safety Code and encourage children to ask themselves questions such as, "Is the water too deep or too shallow? Are there currents, tides, or underwater objects?" Make sure children know never to enter water from a height, as what lurks below could cause serious injuries.

4 CONSIDER WATER TEMPERATURE

Even on hot days, water can be deceptively cold. Tragedies strike when young people experience cold water shock. Never let children enter water quickly; instead, ensure that they enter slowly and carefully to allow their bodies to adjust to the temperature or exit easily if needed.

5 INFLATABLE SAFETY

Although inflatables may seem like a fun idea when visiting locations like the beach, they can float further out from shore and into more dangerous water. It's advisable only to use inflatables in spaces like appropriately managed swimming pools, where they're used in more controlled and supervised environments.

6 SUPERVISION IS KEY

For young children, and particularly those under the age of five, it's important for them to be supervised at home, outside and at the pool at all times. It's essential for parents and educators to understand that young children can drown quickly and silently; therefore, anyone supervising them must maintain constant watch in case they get into difficulty.

7 DON'T GO TOO FAR

When swimming, especially in open water, it's best to teach children to stay within a safe depth. Share advice with them such as only entering water up to a standing depth, and in the case of visiting the beach, swim parallel to shorelines. This will allow a child to stay in control and get out of the water easily.

8 KEEP POOLS AND TUBS DRAINED

For parents of young children, a simple way to protect them at home is to keep outdoor spaces and bathrooms tidy after playtime. This includes removing water from paddling pools after use and turning them over, returning lids to hot tubs and taking toys out of baths, so all water can be fully drained from the tub.

9 FLOAT AND CALL 999

If a child gets into difficulty in the water, they should try to float on their back, stay calm, and call for help. If a young person sees someone else in trouble, they should dial 999 or 112 immediately, then shout to reassure their friend, encouraging them to float on their back, and letting them know that help is on the way. Children should never enter the water to attempt a rescue or retrieve belongings.

10 TEACH WATER SAFETY

Beyond swimming lessons, children should be educated in school on water safety. Use RLSS UK's accredited programme, 'Water Smart Schools', which offers free lesson plans and resources on how to be safe on, near and around water by following the Water Safety Code.

Meet Our Expert

The Royal Life Saving Society UK (RLSS UK) is a national water safety charity that gives children the chance to enjoy a lifetime of fun in the water, safely. Water safety education provided in schools is vital and, in some instances, could be a child's only opportunity to learn about the water.
